## Second Barge in Hamburg (Germany)

TOTAL Marine Fuels is present in the Hamburg and Kiel Canal area since a long time through TOTAL Bitumen Deutschland GmbH which runs the Brunsbüttel refinery.

Brunsbüttel refinery is ideally located downstream Hamburg and on the Kiel Canal and offers all marine products, including Low Sulphur residual fuels.

TOTAL Bitumen Deutschland runs also a storage at Vopak in Hamburg and has chartered a first barge at the beginning of 2007 :

*The Elbingerode with 1 450 mt capacity*

Since January 2008, TOTAL Bitumen Deutschland has chartered a second barge :

***The Spandau DT 61 with 1 200 mt capacity***

Both barges operate on the Elbe river between Hamburg and Brunsbüttel
